Rob & Michelle Hoyt	Rob: 973-960-4698 Michelle: 508-294-1834	sailingthroughitall@gmail.com	Wednesday Night, all season long, as well as other distance races (like the Whalers Race) and regattas	Bamboozler is our Beneteau First 40.7. We have plenty of experience racing with others, but this will be our first year campaigning our own boat. Our goal is to have fun, while hopefully getting the most out of this potentially fast boat. Minimal yelling, maximum laughing and learning. All levels of experience are welcome aboard, but it would be especially helpful to have at least a couple of sailors with big boat spinnaker flying experience.
Ted Herlihy	508-965-2218	tjher@comcast.net	Weds nights and possibly various events outside the club	we race in the spin class. will train.
